Subject : Regarding validity and quality of pensioner's Identity Card .

Respected Sir ,

- The pensioner ID Card is not having any printed serial no. on it and therefore it is not recognized in other department like Railways etc...
 - Quality of ID Card material is not good and therefore it gets damaged/ ragged with in short period.
 - Sir, BSNL is a well reputed Telecom PSU entrusted the work of operation of Telecom / Internet services by the Government of India & we are also proud of being pensioners of such a big PSU. But some time we feel uncomfortable when the validity of Pensioner card is not recognized by departments like Railways etc..
 - It is therefore requested that pensioner ID Card may be prepared like a smart card (such as driving license, R.C of vehicles etc..) Which will have serial no. and all other information printed on it. MTNL is also issuing smart pensioner ID Card.
- We are hope full that your good-self will take necessary action on this subject.

Thanking you

Your's Faithfully
