No.AIRBSNLEWA/CMD BSNL/FTTH/2020-2021/

Dated:29.07.2020

To
Shri P K Purwar ji
CMD, BSNL
New Delhi -110001

Sub: Provision of concessional residential FTTH connection to retired BSNL officers/officials.

Respected Sir,

Please refer to letter number 32-64/2013-NWP-BB/FTTH & 32-96/2013-NWP-BB/FTTH services dated 05-12-2013 & 29-01-2014 respectively by ADDL.GM (NWP-BB) corporate office New Delhi, where-in it is mentioned that service connections over FTTH in residence including retired officials may be provided in FTTH enabled high-rise buildings and apartments as per entitlement where copper network is not available.

But again as per letter number 2-2/2019-PHA dated 20-03-2020 by AGM-Admin-PHA BSNL corporate office New Delhi, it is mentioned that in TNF areas where FTTH facility is working, GSM post-paid Plan 99 will be sanctioned in place of FTTH.

It is to be noted here that now-a-days BSNL do not lay new copper cables for making the area feasible but instead it is declared as TNF and same area is declared as FTTH enabled for high-rise buildings and apartments by providing OFC. Now a retired officer staying in FTTH enabled area do not get REDOT/REBSNL category connection over FTTH.

It is to bring to your kind notice that though retired BSNL employees are allowed concessional broadband connection over copper media at their residence as per their entitlement but this benefit has so far not been allowed in case of FTTH connections for higher data speed..

It is requested to Kindly allow provision of concessional FTTH connection to retired BSNL officials under REDOT/REBSNL category as per ADSL broadband entitlement of the officer.

Further with respect to letter dated 20-03-2020 by AGM-Admin-PHA BSNL corporate office New Delhi, it is, therefore, kindly requested that retired officials may be given option to choose either to have GSM under Plan 99 or concessional FTTH connection at residence where area is declared as TNF by local SSA for provision of broadband over copper media.

With kind regards,
Yours Sincerely

(Prahlad Rai)
