**Sub: 78.2% IDA Fixation work for pensioners – Granting a meeting
to discuss the status.**

Respected Madam,

Most respectfully we would like to draw your kind attention that inspite of DOT's instructions to finish up the 78.2% pension revision work within 10-04-2017, CCA CTD office has perhaps not taken any special initiative and dealing the issue in its own way resulting in frustration and anxiety to the pensioners.

Further some of our representatives met you few days back and informed that the job is not being done systematically. As result the old cases are kept pending for indefinite period. Your good self has asked them to submit some instances. We are therefore submitting the following studies made by us.

Annexure I : Kindly see the list of executives of planning area. If you see the date of submission and the status of revision it will be clear to you that the service books submitted on 15-11-16 are pending while some of the cases submitted on 11/1/17 that is two months later have been revised. Further many pre 2007 cases are also pending.

Annexure II: Kindly see the list of executives of HQ area. Here also the cases sent on 22-09-16 are pending while the cases sent on 4-1-17 are pending.

Annexure III: Kindly see the list of executives of South Area. Here also some of the cases sent on 11-11-16 are pending while the cases sent on 17-11-16 are being revised.

We would also like to inform you that most of the 42 cases of executives sent by Serampore area on 26-09-16 are also pending. E.g. Sri B N Sarkar Retd SDE. Same is the position of all other areas of CTD.

We therefore request you to kindly grant us a meeting to discuss the issue and get guidelines of the problems faced , so that the same can be informed to the pensioners through SMS and website to extend some mental relief to them.

**We shall be grateful if you kindly grant us a meeting immediately for the sake
of pensioners of Calcutta Telephones.**

With Kind Regards

Yours Faithfully

(Sitanshu Kumar Sarkar)
